We would like to thank all of our friends and extended family for a terrific season and we wish everyone a happy and healthy New Year. Come celebrate our 20th year at camp. It's still cold outside

but if you start thinking about how close the new season of fishing is getting, it should warm you right up!

The water was high again this year, we had to raise the walkway to the floaters three times. The docks behind the house were under water till the beginning of August. We had to put docks on top of docks. The cleaning station was under water also (had to wear knee boots to clean fish). We're going to raise it this year trying to keep it above water.

2019 Spring brown trout fishing was very good with plenty of limit catches. In May we started to catch nice salmon in the 8 to 16 lb. class that lasted well into the beginning of July. The weather was a little unpredictable with moderate winds making it a little rough on the lake but we still managed to catch a lot of fish. July was a little tough fishing, had to run out deep for the kings but once you found them it was good fishing. Small mouth bass fishing in summer was a little spotty but if you found them they were big (3 to 5 lbs.). In August and the beginning of September the fishing was pretty good when you could get on the lake.

The **Summer Customer Appreciation Weekend** will be June 26th - 28th with a special rate - if you stay 2 nights you will get the 2nd night at half price! We will provide roasted chicken (or pork) for the picnic on Saturday. Please bring a covered dish and your

favorite beverage to the picnic. This is also NY's **Free Fishing Weekend** which means you do not need to purchase a fishing license for Saturday or Sunday. Plus, bass season will be open.

The **Fall Customer Appreciation Picnic** will be Saturday, September 5th. Again, please bring a covered dish and your favorite beverage; we will provide the roasted meat.

Come see us at the shows and don't forget to have your dates picked for a great fishing trip at Catfish Creek Fishing Camps!

Thanks, Capt. Wally and Cheryl
